

TPA Owners Survey

The Results Speak for Themselves. Pre-order NOW!

Over the last six months, ASPPA and Brightwork Partners—a nationally known research firm—surveyed 150 TPA owners and are assembling a comprehensive profile of TPAs today. How does your firm compare to similar-sized firms and with the rest of the industry? Survey results include detailed information captured in easy-to-read charts and graphs, and includes: concerns and opportunities, plans administered, services offered, revenue and expense reports, business development, education, training, and succession planning. This invaluable information is available for purchase as a pre-order and will be delivered to your home or office in just a few weeks.
